

Fintraffic Sky Terms of Use

End User License Agreement / Consent to the Collection and Use of Your Data

Before using the software, please read this End User License Agreement ("License") carefully. By using the software, you agree to the terms of this License. If you do not agree to the terms of this License, no agreement permitting use is formed, and you may not use the software.

This License is a legally binding agreement between you and Fintraffic Air Navigation Services Ltd. This License governs your rights and obligations regarding the Fintraffic Sky application provided by Fintraffic Air Navigation Services Ltd and its licensors (collectively referred to as "Third Parties"), including any updates/enhancements and any accompanying documentation (collectively referred to as the "Software").

If the Software includes other software governed by a separate license agreement (such as open-source software), such separate license agreement shall apply to that software. In such cases, the terms of the separate license agreement shall take precedence over the terms of this License.

Copyrights

All rights (including copyright) and ownership of the Software belong to Fintraffic Air Navigation Services Ltd or to a Third Party.

License to Use the Software

This agreement grants a license to use the Software. For clarity, it is stated that the Software is protected by copyright laws and other intellectual property laws and international treaties, and this agreement does not transfer any such rights or ownership.

Conditions and Restrictions

You are not permitted to copy, publish, modify, distribute, attempt to discover the source code, alter, reverse engineer, or otherwise decompile the Software, in whole or in part, or to create any derivative works based on the Software. You are not permitted to bypass, alter, disable, or circumvent any functions, protections, or mechanisms functionally related to the Software. You may not remove, alter, obscure, or damage any trademarks or notices contained in the Software. You may not distribute, disseminate, rent, lease, sublicense, assign, transfer, or sell the Software.

Open Source Components

You acknowledge that the Software may include open source software that may be subject to open source license terms. This refers to any software licenses approved as open source licenses by the Open Source Initiative, or any substantially similar licenses.

Disclaimer of Warranty

You agree and acknowledge that use of the Software is entirely at your own risk and that you are responsible for your use of the Software. The Software is provided "as is," without any warranty, commitment, or condition of any kind.

Fintraffic Air Navigation Services Ltd and each of the third parties expressly disclaim all express or implied warranties, commitments, or conditions, including but not limited to implied warranties of merchantability, non-infringement, or fitness for a particular purpose. Fintraffic Air Navigation Services Ltd does not warrant or represent that:

- the functions contained in the Software will meet your requirements or that updates will be provided,
- the Software will operate properly or without errors, or that any errors will be corrected,
- the Software will not cause damage to other software, hardware, or data,
- any software, online services (including the Internet), or products (other than the Software) on which the Software's operation depends will remain available, uninterrupted, or unchanged, or
- any use of the Software or the results of its use will be accurate, reliable, or otherwise meet your expectations.

Limitation of Liability

Fintraffic Air Navigation Services Ltd and none of the third parties shall be liable for any indirect or consequential damages arising from breach of express or implied warranties, breach of contract, negligence, strict liability, or any other legal theory in connection with the Software. This includes, but is not limited to, damages for loss of profits, lost revenue, loss of data, or damages resulting from the inability to use the Software or related hardware, or from downtime or loss of user time—even if the possibility of such damages has been advised. In any case, their liability and total aggregate liability under any term of this License is limited to 50 euros.

Consent to the Collection and Use of Location Data

Fintraffic Air Navigation Services Ltd provides a service via the Software that enables the recording of the user's location. The services available through the Software utilize location data, particularly the geographic location of the user's device. By giving your consent, you agree that Fintraffic Air Navigation Services Ltd may collect, store, process, and use this location data in order to provide such services. The application can be used without enabling location data, but some features may not be available in that case. Location data will be used in accordance with data protection principles.

Consent to the Collection and Display of Personal Data

You agree that Fintraffic Air Navigation Services Ltd may collect and temporarily store personal data obtained through the Software, specifically your name, email address, and phone number, aircraft call sign, open field entry, and the above-mentioned device location data. The purpose of collecting this data is to enable actions required by submitted reports. You agree that your aircraft call sign, name, and phone number may be displayed to other

pilots, with the aim of enhancing aviation safety. The collected data will be retained in accordance with the data protection principles of Air Navigation Services.

Changes to the Software

Changes to the Software may alter the scope of personal or other data collected, stored, or transmitted through the Software, as well as the selection of authorities or other entities to whom the necessary data may be transmitted on a case-by-case basis.

Fintraffic Air Navigation Services Ltd or its partners will not use the data to personally identify the user of the Software or the Device without the user's awareness or consent. All use of personal data will comply with Fintraffic Air Navigation Services Ltd's data protection principles.

Fintraffic Air Navigation Services Ltd may from time to time automatically update or otherwise modify the Software, for example to fix bugs or improve functionality, while you are connected to Fintraffic Air Navigation Services Ltd's or third-party servers, or through other means. Such updates or changes may remove or modify the nature of certain features or other aspects of the Software. By accepting this License, you consent to such updates and modifications.

Entire Agreement, Waiver, Severability

This License constitutes the entire agreement between you and Fintraffic Air Navigation Services Ltd regarding the Software. If any part of this License is held to be invalid, unlawful, or unenforceable, that part shall be applied to the extent permitted in order to preserve the intent of this License, and the remaining provisions shall remain in full force and effect.

Governing Law and Jurisdiction

This License is governed by the laws of Finland, excluding its conflict-of-law rules. Any disputes arising from this License shall be resolved in the district court of your place of residence.

Termination

Without limiting any other rights it may have, Fintraffic Air Navigation Services Ltd may terminate this License if you fail to comply with any of its terms.

Amendments

Fintraffic Air Navigation Services Ltd reserves the right, at its sole discretion, to amend any of the terms of this License by posting a notice on a website specified by Fintraffic Air Navigation Services Ltd, by sending an email notification to the email address you provided, by including a notice in the process for accessing updates/upgrades, or by any other legally recognized form of notice.

If you do not accept the change, you must promptly contact Fintraffic Air Navigation Services Ltd for further instructions. If you continue using the Software after the effective date of the notice, your continued use will be deemed as acceptance of and agreement to the amended terms.

If you have any questions regarding this License, you may contact Fintraffic Air Navigation Services Ltd. Contact details can be found at fintraffic.fi.
